

AUGUSTA, ME. PENNY MEMORIAL FREE BAPTIST CHURCH.

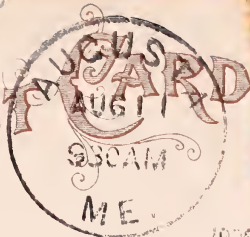

This Space For Writing Messages

Dear Kate. I have  
been to the Post-Office  
and inquired about  
the package and  
they had not filled out  
the package and the sent  
it alone to try and find it.  
I got a letter from the  
Post-Office here last  
night saying it had  
not yet been found.  
My turns are getting better &  
worked Monday for the first  
time for two weeks. I will  
write soon. I rather think they  
did find them don't you.  
Love is all.
